

## HOPPER COVERS

Crary Industries, Inc. has partnered with Michel's Industry, Ltd. to supply Electric Combine Hopper Covers to the United States.

**Crary Has You Covered!**

## Quick & Easy Set-up & Take Down!

Tarp components can easily be removed down to extension height in less than 10 minutes, no tools required.

■ **Valuable Investment** – Protect harvested crop from unexpected weather conditions.

■ **Lightweight Materials** – The majority of the components are manufactured from lightweight materials to reduce weight.

■ **Easy Operation** – Opens and closes with a flip of a switch.

■ **Trouble-Free Storage** – All components can be stored inside the grain tank.

Michel's Electric Hopper Covers fit most makes and models of combines.

**Contact Crary at 800.247.7335 for specific requests and pricing.**
